Says WILL ROGERS

BEVERLY HILLS. — Well all I know is just what I read in the papers, and what I get through the mail. Arthur Brisbane and I have been having a good natured kidding through the papers about Russia. Arthur kinder believes that Russia should be recognized, and me I don't know whether they should or not. Lora, that's a Diplomat's business not mine. I am not getting. Diplomatic wages. I am only getting acting wages.

But that's got nothing to do with it, what I am getting at is the interesting letters this fellow Brisbane writes. I am going to show you one he wrote me that I just got.

My Dear Rogers: Now that I have established your credit as a multi-millionaire, and that you have destroyed mine by making me out in the public prints as destitute, which by the way I regret to say is an extremely accurate description, let us talk seriously about Russia. This country including its brightest intellects, even your own, fail to appreciate the importance of what is going on in Russia.

You know that when Louis the sixteenth came back from shooting at Fontenay-leau on a certain 14th of July, he wrote in his diary, "Rein," meaning in the French language, "Nothing." He hadn't shot anything, and he simply wrote down that nothing had happened. BUT that was the 14th of July on which the Bastille was destroyed, and later as a consequence of that "Rein" day, they just casually chopped off his head.

"The King of Persia asked, 'Where is Greece?' and said to his royal remembrancer, 'Remind me sometime to go down and destroy that little country.' His descendant learned about Greece when Alexander came from Macedonia with 30,000 men and sent him flying to his death, went through his line of war elephants and took his country.

All of which leads up to the fact that Will Rogers should study and analyze, and understand Russia, not dispose of it with a wave of a hand, like some foolish Wall Street Broker who buys Krensky Bonds and belly-aches because they are not paid. We didn't pay the bonds issued by the South.

I have no doubt that the Russian experiment will fail eventually, being based on pretense of selfishness and brotherly love, which have no existence among human beings.

But its experiments in industry, in world competition and efficiency may cost some of the old Capitalist civilizations dear, if they ignore it. Alexander Empire fell, dwindling down to the Cleopatra and Mark Anthony foolishness, but not until he had put an end forever to the old Persia. So you ought to warn your readers to not understate Russia. Many years ago when you was a little boy (Thanks for that kind compliment Arthur), I told Klaw, Erlanger, Frohman and Brady that someday Morley would sweep the country and be in every town. They thought I was crazy. Well look and see.

Now you take old Cato with his "Carthage must be destroyed" and keep saying every day at the end of your "piece" in diamond type, "Watch and beware of Russia." This is talked into my photograph in my automobile on my way in from Long Island to New York, hence the length. Yours sincerely, A. Brisbane.

Now wasn't that a fine letter. You know he is a great fellow. And he is sincere about this Russia thing too. He does know enough about it to know that they are going somewhere, and we better watch out while they are on the way. I think on the other hand that he has kinder been propagandized on em, and he has perhaps got the brighter side, for they were a pretty seedy looking outfit when I visited them in 1926. But all that Cato, and Carthage, and Persia and Greece, and Macedonia, and Louie the sixteenth, and "Rein" and all that was lost on me. He was getting a long way from Russia telling about all those old Birds. But the Rascal can quote anything. And I guess he is right, anyone haven't got time to look it up, any man as high salaried and busy as he is, that will sit down and take his valuable time to write my stuff for me, I am not going to find any faults with it, as to facts, I will disagree with him every day if he will write my article for me. Anyhow if I ever answer him, I can't talk about those old fellows. I will have to refer him to Senator Grundy, Al Capone, Tom Hefflin, Aimee, and just the ones that I know. But anyhow Arthur, I am much obliged to you, and will take care of Russia from now on.

CROWDED CALENDAR AWAITS COURT

JURY DRAWN FOR OCT. SESSION BEGINNING TUESDAY

Judge Guy E. Smith will be confronted by a good sized calendar when he opens circuit court here Tuesday, October 14th. There are seven criminal cases listed of which it looks very much as tho at least one would go to trial. That is the case of Will Foster, colored, charged with assault upon one James Fuller, also colored, during which time it is alleged that Foster shot Fuller.

There are two non-jury civil cases, both for assumpsit; ten chancery cases and two cases in which no progress has been made for more than a year.

As listed on the calendar the cases are:

Criminal Cases.

Mary Blichak, violation prohibition law.

Claud A. LaRocque, violation motor vehicle law.

Everet G. Reid, larceny.

Margaret Reid, larceny.

Everette Beach, violation prohibition law.

Lloyd A. Witt, violation prohibition law.

Will Foster, assault.

Non-Jury Civil Cases.

Fred G. Steggall and James A. White, co-partners trading as the City Fuel & Supply Co. vs. Grayling Manufacturing Co., the Grayling Dowel & Tie-Plug Co., and Marius Hanson, assumpsit.

Chancery Cases.

Pearl M. Gibbon vs. Edwin Gibbon, divorce.

Hazel D. Vallad vs. Albert J. Vallad, divorce.

William Ellis vs. Viola Ellis, divorce.

Edith F. LaMotte vs. Walter J. LaMotte, divorce.

Antoni Dombrowski, et al, vs. Village of Grayling, injunction.

Vesta Welch Lancaster vs. Paul Lancaster, divorce.

Laura Welch vs. Leonard Welch, divorce.

Eva McIntyre vs. Oscar Moran, annulment of marriage.

Iva Whittaker vs. William Whitaker, divorce.

Salling Hanson Co., vs. Michigan Central Railroad, bill to quiet title.

Causes in which no progress has been made for more than one year are those of John Maley vs. Charles H. Marker, trespass on the case; and Nettie Davis vs. Henry Davis, divorce.

Jury Panel.

The list of jurors drawn for the October term is as follows:

1 Hjalmar Mortenson, Beaver Creek

2 William Cox, Frederic

3 Thomas Wakeley, Grayling

4 Joseph Vance, Lovell

5 Charles Owens, Maple Forest

6 Oliver B. Scott, South Branch

7 Chancey Rogers, Beaver Creek

8 Bessie Odell, Frederic

9 Chris King, Grayling

10 Martha Douglas, Lovell

11 Archie Howse Sr., Maple Forest

12 Alvin M. Scott, South Branch

13 Martin Jagosh, Beaver Creek

14 Ace Leng, Frederic

15 C. O. McCullough, Grayling

16 A. R. Reid, Lovell

17 Arthur Howse, Maple Forest

18 Hugo Schreiber Jr., South Branch

19 John Canfield, Beaver Creek

20 Otis Weaver, Frederic

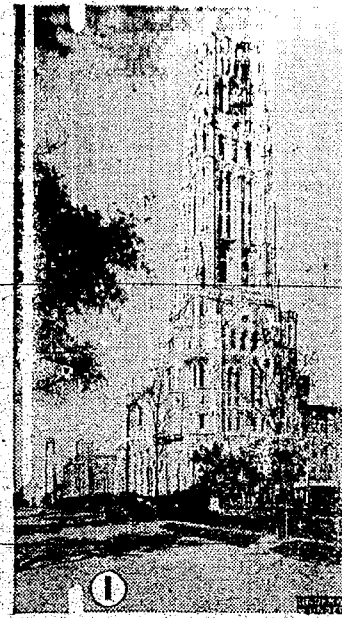

21 George Miller, Grayling

22 Bessie Kellogg, Lovell

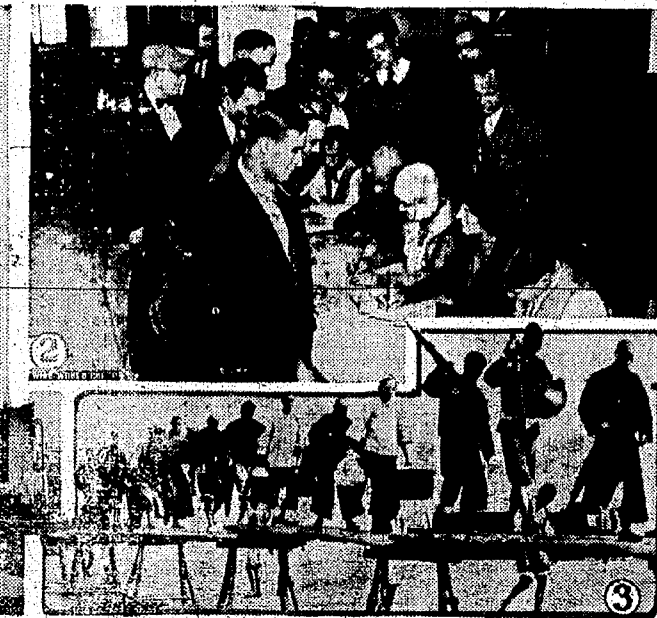

23 Ed. Feldhauser, Maple Forest

24 Joseph J. Royce, South Branch

Some of the greatest thinkers say they do their best work during those weeks when their wife isn't speaking to them.

1—View of the Riverside (Rockefeller) church in New York, just completed and opened. 2—Registering the unemployed in Detroit, under the regime of the new mayor, Frank Murphy, so that relief measures may be taken. 3—Refugees from Changsha, China, fleeing from the threat of massacre by the Communists.

OTTO MAHNCKE DIES SUDDENLY

WAS CARETAKER AT HARTWICK PINES. FUNERAL WEDNESDAY AFTERNOON

Otto Mahncke, caretaker at the Hartwick Memorial Pines Park, passed away suddenly Monday forenoon. Mr. Mahncke was working in the Pines with Arthur Bigham of Maple Forest, an employee there, when he complained of being short of breath and asked Mr. Bigham to drive him to Grayling so that he might see a physician. He did so, and when about halfway to town Mr. Bigham noticed Mr. Mahncke slump in the seat. Arriving at the doctor's office it was found that he had passed away. Mr. Mahncke had suffered a severe attack of pneumonia a couple of years ago that left him with a weak heart, and since then his health had been none too good.

His passing at this time is a very sad, as he leaves two daughters, Misses Mary and Alyce, who are in their teens. Mrs. Mahncke passed away in 1921 and the girls were placed in a boarding school where they remained until three years ago when they came to Grayling to make their home with their father. They entered Grayling High School. Miss Mary graduating with last year's class while Miss Alyce is a Junior. Their father was very fond of them and saw to it that they had every comfort he could afford.

Mr. Mahncke was born in Denmark, November 29th, 1869. He came to this country when he was 14 years old and located in northern Michigan. For 27 years he worked in the various Salling Hanson Company camps and three years ago was engaged as caretaker of the Hartwick Memorial Pines Park. Mr. Mahncke was an ideal person for the position, having seen so much of camp life and any one going out there found him to be most courteous and accommodating.

Funeral services were held yesterday afternoon at Michelson Memorial church at 2:00 o'clock, conducted by the Masonic Lodge, under direction of Ancient Landmarks Lodge No. 303 of Saginaw, of which the deceased was a member. The remains were taken this morning to Saginaw for interment in Forest Lawn cemetery. Surviving the deceased, besides the daughters, is one brother, who lives in Michigan, but who has not been located, and two brothers in Denmark. The young ladies have the sympathy of the entire community in their sad bereavement.

FUNERAL OF MICHAEL J. SHEEHY HELD SATURDAY

Michael John Sheehy, who passed away at his home Thursday morning after an illness of six months duration, was born in Ithaca, New York, May 4, 1850 to Timothy and Rose Ann Sheehy. When he was still a boy his parents moved to Canada. "At the age of 13 years he started out to make a living for himself and although he met many obstacles, he braved them as they came and when he had grown to manhood he found himself here in the north country, which was then a dense forest. Lumbering was at its height and he worked as a woodsman for many years, making his home in the various camps until the fall of 1881, when he returned to Canada, and on November 18, 1881 was united in marriage to Elizabeth Jane Holland. They settled near Waters, Mich., later also residing at Otsego Lake. In the summer of 1900 the family moved to Grayling from Waters and Mr. Sheehy bought the home on Park street, where the family have since resided. He began working for the Salling Hanson Company and after several years in their employ took a job as night watchman at one of the R. Hanson & Sons mills at T-Town. After the mills closed down he secured a position with the Du Pont Co., remaining in their employ until they ceased operations.

Funeral services were held Saturday morning with a requiem high mass at 9:00 o'clock, celebrated by Rev. J. L. Culligan. Mrs. Frank Tetu, accompanied by Mrs. Marius Hanson rendered the mass hymns and the former sang "Face to face" very nicely. Interment was in Elmwood cemetery.

Surviving besides the widow are two daughters and two sons, Mrs. Wilfred Laurant, Miss Odie, Curry and Reginald at home. With the family during their bereavement from out of town were Mrs. Howard O. Scarlett, Mr. and Mrs. William Eastman and daughter Barbara Mae, Detroit and Mrs. A. E. Crumm, daughter Maxine and son Junior of Toledo.

Mr. Sheehy was loved by his family, and his death though expected brought them much sadness. This was the first break in the little family circle, but he will always live in their memory as a kind and loving husband and father. He was a man faithful to every duty put before him, honest in all his dealings and never was heard to speak ill of anyone.

FOUR-COUNTY COUNCIL HOLDS ANNUAL CONVENTION

Representatives of churches in the counties Roscommon, Crawford, Oscoda and Ogemaw met all day Friday last week in the village of Roscommon for reports, new business and inspirational fellowship. The general superintendent of the State Council, Dr. E. W. Halpenny, was present, furnishing fine helpful addresses on important subjects. Others who took part on the program were Mrs. O. Hagaman, Mrs. C. W. Starr, Rev. H. Nunemaker and Rev. C. E. Peterson. The ladies of the Roscommon Congregational Church furnished a fine dinner which many of the village shared in. The open forum called out many helpful ideas. The following were elected as officers:

Pres.—Rev. H. Nunemaker, Comins.
Vice Pres.—Rev. E. Floury, West Branch.
Secy.—Rev. C. E. Peterson, Roscommon.
Treas.—Mrs. O. Hagaman, Luzerne.
Childrens Supt.—Mrs. Adelia Lince, Lufton.
Young People Supt.—Mrs. V. Nye, Rose City.
Adult Div. Supt.—Ferd Stutesman, Comins.
Administration—J. Merritt, Luzerne.
Educational—Rev. J. W. Greenwood, Grayling.
Am. S. S. Union—R. D. Chambers, West Branch.
Next executive committee meeting will be held in Luzerne, on Sunday afternoon of the 19th.

You can't fool a woman but you can keep her guessing.

THIS IS FIRE PREVENTION WEEK

The week of October 6-11 has been designated as Fire Prevention Week and October 9 as Fire Prevention Day, to be observed by all.

Fire can destroy the happiest home, the busiest shop or the most pleasant community at any time and without warning. Fire affects us all individually and as communities, and all should give special thought to prevention not only that week but throughout the year.

The National fire loss in 1929 was over \$473,000,000, in Michigan \$13,913,450.

Statistics show that during 1929, 322 lives were lost through fire. Fires can be prevented; so this sacrifice of precious lives, limbs and property is needless and a serious reflection on our citizenry. While in effect the problem is national, the remedy can only come through a keen "fire consciousness" in each of us and individual preventive acts.

Municipal governments, especially fire departments, and civic organizations, such as commercial clubs, luncheon clubs, women's clubs, through appropriate programs during the week, can do much to awaken civic pride and consciousness.

Public meetings, parades, slogans, window displays, essay contests, warning placards in public places and on hotel menu cards, fire prevention sermons, and general inspection and clean-up campaigns are some activities suggested. Fire prevention talks and programs in schools are very helpful. Every fire department has men on its force who can give fire prevention talks before schools and civic organizations. Insurance men are also available for such talks.

The bulk of the fire loss in every Michigan community is due to common ordinary causes not hard to understand and easily remedied. These rather than special or extraordinary causes, should be made the subject of fire prevention talks.

A more general use of fire resistive building materials, fire stopping to prevent the spread of fire through walls, partitions, and hidden spaces, a safe chimney and heating plant and proper electrical installation, and good, clean housekeeping would prevent most of the fires and would confine others to the places of origin. First-aid, extinguishing appliances, such as proper chemical extinguishers, handy water barrels and pails, etc., would put out others with small loss.

Determination on part of each of us to have a safe home, shop, store and factory would solve this fire problem. All must help and all will be benefited by any saving in fire losses.

To prevent fire is the personal responsibility of everyone. It should be taken seriously.

Ordinary carelessness would prevent ninety per cent of the fires.

A Proclamation

BY THE GOVERNOR

It has been the custom each year to set aside a week to be known as Fire Prevention Week. Its purpose is to call to the attention of all the people of Michigan the havoc that fire causes in the State, both to property and life. Every year in Michigan an enormous amount of property has been destroyed. It has taken hard labor to produce this property, and the State is so much poorer by its loss. Many people think that if insurance is carried the owner of the property is compensated for his loss; but insurance is only a means whereby the individual is protected and the loss distributed to all citizens of the State. Therefore Michigan is poorer each year by the amount of fire losses in the State.

Last year there were 322 deaths by fire in Michigan. Life cannot be restored, and this appalling number of deaths should awaken everyone in the State to the danger of fire and it should be an incentive to every

SCHOOL NOTES

G.H.S. Enrollment

The enrollment has slipped a trifle since last year. The cause for this decline is due to the number of students that have discontinued their school work. We have also added a number of new students to our roll this year, but not enough to cover the loss.

The Seventh grade seems to be the only class with more boys than girls. There are 21 girls to 25 boys; not a bad bunch to start out with. This large class is due to the change in schedule last year, in which two classes were joined.

The Eighth grade ranks fourth on the enrollment list, having 22 girls to only 16 boys. It looks as if the boys will have to dig down if they want to keep up with the overwhelming majority of girls.

Now we turn to the High School. The Freshmen are full of vim and vigor, ready to show Grayling just what they can do to make their class go down in history. Oh yes! The boys are again outnumbered, 23 to 18, and their class ranking third on the roll.

What comes next? None other than the "Blundering Herd" of Sophs, forty-seven strong, the largest class that G.H.S. has ever had or probably ever will have. And as the story goes, the girls outnumber the boys 26 to 21, making a grand total of forty-seven. It looks as if they will have to put the audience on the stage and the class out in the seats on graduation night.

Then comes the smallest class—the Juniors. This small class has a big chance to succeed because, as the old saying goes, "Good things are done up in small packages." There are 9 girls to 7 boys, not bad. It has sixteen members.

Last but not least, we come to the Mighty Seniors. Dignified, as usual, full of pep and spirit, ready to show the world just what a class can do to make this the biggest and best year that G.H.S. has ever, or will ever experience.

The Class of '31 is out to surpass any past records and make new ones that can't be broken for years to come. The Senior class boasts of a record not reached by any other graduating class. We have the immense number of 31 students preparing.

(Continued on last page)

MISS JACQUES TO START WOMEN'S PHYSICAL TRAINING CLASS

Miss Virginia Jacques of the Physical Education department in the Grayling High School is offering the young women and young married women of the town an opportunity to take gym work.

The class will be conducted in the school gymnasium one night a week and will be from 7:30 until 8:30 o'clock.

All those who are interested will meet Friday evening at 7:30 o'clock in the gym in the form of a "get-together" for the purpose of becoming acquainted and to discuss the work in general. Those who are unable to attend may send in their name by a friend.

Miss Jacques presents in brief her program of work. It will be as follows:

- Marching and Gymnastics—Formal exercise work, minuet and athletic exercises.
- Games—Volley ball, side kick, end ball, select group games.
- Contests—Individual and group.
- Group Athletics—Basket ball, indoor base ball, volley ball throw, etc.
- Tumbling and Pyramid Building.
- Natural rhythms and dances.
- Rhythmic plays and steps.

CRAWFORD COUNTY RESIDENT DIES

James H. Burton, age 79, for the last half century a resident of Crawford county, passed away at the Frank Barber home in the village last Thursday, having been in poor health for the past few months. Mr. Burton was born in Crawford county, Ohio, in February, 1851, the son of James and Eunice Burton. He came to Crawford county some fifty years ago, first taking up a homestead near Perry Cheney and later operating a farm near the Perry Richardson place. For the past nine or ten years he has made his home with Mr. and Mrs. Barber, assisting with their farm work in Beaver Creek township. He is survived by one brother and two sisters, J. W. Burton of Adrian, Mrs. Kate Lawrence of Sarnia, Ont., and Mrs. Ella Opper of Newton Falls, Ohio. The funeral was held from the Barber home Sunday, burial taking place beside his wife in the Perry Cheney cemetery. Several relatives were in attendance at the funeral service.—Roscommon Herald-News.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES
OF THE AVALANCHE OF 23 YEARS AGO.

Thursday, October 10, 1907

Mr. and Mrs. D. P. Oaks are now
with Mrs. Deckow in Maple Forest.

Charles Thomas, a former resident
here, has moved from Owosso to Flint.

Mrs. R. P. Forbes returned Sunday
from a few days outing down the
river.

300 barrels of apples have been
shipped from Ward's farm in Maple
Forest this fall.

Perry Ostrander and L. C. Meyers
are this week attending a meeting
of Grange deputies at Saginaw.

Wm. Hunter brought in a sample
potato from his farm in Maple Forest,
weighing 2 1/2 pounds.

Mrs. Mabel Martin was quietly
married to Samuel LaVictoire, of Bay
City, Oct. 1. It was a surprise party
to her friends in this village.

A young man named Richard Gordon,
aged 19 years and 11 months, was
instantly killed at Camp 3 on
Monday by being run over by a pair
of big wheels.

A. E. Newman returned from an extended
visit with relatives and friends
at Adrian, St. Johns and other places.

Married: At the County Clerk's
office, Oct. 5th, Alton Brott and Mary
Saford, of Beaver Creek, Justice J. J.
Niederer officiating.

Rev. R. H. Cunningham, pastor of
the M. P. church, South Side, has
been returned by the Conference to
Grayling for another year, and began
the new year's work last Sunday.

During the month of August, according
to the report of the secretary of
state, there were 2,735 deaths and
4,302 births in the state.

There have been found evidences of
coal existing in Alcona county and
some Alcona parties are now on the
ground with a drilling apparatus, and
they will prospect for the "black
diamonds" in that section.

A long warm autumn is the general
weather forecast of the local sharps.
But it's a good plan to push fall work
as if winter was likely to set in most
any day. Then you won't get caught
napping whatever happens.

Mr. Lewis Parker, of Beaver Creek,
sent us a stem of plums last week,
which was broken from the tree by
its own weight. There were thirty
plums on the twig, as close as a fine

bunch of grapes, and every plum perfect,
and over an inch in diameter.

There seems to be a spasm of crime
among a number of small boys in
our village. For two months past
there has been a number of petty
larcenies which are traced to these
boys. Five have been arrested, of
whom two are awaiting trial in the
circuit court and sentence is suspended
for thirty days on the other three.
For the sake of the boys who are
getting in the wrong path, we
hope there will be no more complaints,
for if the practice continues,
the boys will certainly be sent to the
reform school.

The Rev. Mr. Kjolhede of Ashland,
Mich., will be here the latter part of
this week, and will give a lecture at
the Danish Lutheran church Friday
evening at 7:30 o'clock. Those who
heard him at the Conference here last
May will surely appreciate an opportunity
to hear him again. On Saturday
he and Rev. A. C. Kildgaard will
leave for Detroit, where the new church,
just completed by the Danish
Lutherans of that place, will be dedicated
on Sunday.

The reception for the new pastor,
Rev. E. G. Johnson and his wife, held
at the M. E. Church Tuesday evening
was fully enjoyed by all present.

From Council proceedings: Moved
and supported that the ordinance relative
to keeping children at home
after certain hours be passed, ordained
and ordered published. Motion
carried. Moved and supported that
the president and clerk procure and
place a suitable curfew bell. Motion
carried.

The worthlessness of Crawford
county farms is proven again on the
farm of Alton Brott in Beaver Creek.
"Barren pine stump land," deserted
and not thought worth the taxes, so
was put into the tax-homestead list
and entered a few years ago by Mr.
Brott, who now has sixty acres under
improvement, and his crops of this
unfavorable season prove the wisdom
of his choice and his willingness to
work. His corn will yield over 80 bu.
of ears to the acre, and is perfectly
ripe and secured. Over 500 bu. of
carrots, 1,000 of bagas and turnips
from four to eight inches in diameter,
and a big crop of potatoes being now
dug. A barn full of hay and plenty
of grain puts him on easy street.
Samples of his products have been
brought to this office and are fine.

This Week

The President's Speech
\$27 a Day for All
Better Than Gold
Germany Does Something

The President's optimistic view of
the near future, backed by sound
facts and figures, should comfort
many doubting Americans who thought
the world had come to an end when
violent stock gambling produced its
usual result.

Particularly important is the fact,
usually forgotten, that this nation
consumes 90 per cent of all it pro-
duces. If tomorrow the people of the
United States, consumers and distribu-
tors, should resume their normal
purchasing, instead of holding back
in a vague, foolish fear, our prosperity
conditions would immediately become
97 per cent of normal.

Americans now hoarding, they know
not why, should remember that the
1930 dollar will do almost twice the
buying work of a 1929 dollar. By
now, the dollar's 1930 value will not
endure.

If Henry Ford's latest prediction
becomes reality, this country will con-
sume all it can produce, and more,
barring, perhaps, superfluous food prod-
ucts. And if it can be produced as
cheaply in proportion as our automo-
biles are produced, our farms could
undersell the world, as our automo-
bile and moving picture factories do.

Mr. Ford predicts a minimum pay
for workers of \$27 a day by 1930, the
five-day week to be universal, giving
the \$27 a day man leisure to enjoy
his earnings, automobile, radio, etc.

To many that seems preposterous—
almost criminal. But not long ago
there was only one man in the United
States that could earn a dollar a day
the year round. The increase from
one dollar a day for one man only,
to six dollars a day for many, for
millions of men, would have seemed
as "impossible" as the increase that
Mr. Ford suggests from six dollars
to twenty-seven.

Discovery of a gold mine contain-
ing two or three billions of dollars
in gold would be welcome news, financ-
ing the world more strongly on a gold
basis.

Discovery of a mine containing
millions of tons of pure copper would
be of great value to industry, although
it might upset stock prices.

But no mineral discovery could be
as welcome or as important as the
discovery, just announced, of huge
redium deposits at Wilberforce, Ontario.

These deposits are said to be greater
than those owned by Belgium in the
Congo, hitherto greatest in the world.

Germany proposes to meet the crisis
of extreme radicalism on one hand
and threat of Fascist leadership on
the other by action.

Rigid economy will reduce national
expenditures by a billion marks.

It is even suggested that General
Von Hindenburg's pay be reduced.

We have no money worries here,
with money to loan a dime in the market.
We seem to lack the energy that
does something, or anything. We are
like a poor old lady, dispossessed
from her property, weeping
on the sidewalk, not knowing what to
do.

The fiery Hitler reminds you of the
saying that if a man doesn't go too
far he never goes far enough. He has
gone far enough.

He not only threatens to impeach
Hindenburg but proposes to conquer
Russia, "because Germany needs more
territory for expansion."

A large, Bolshevik bear in Moscow
will have something to say about that.

George M. Reynolds, head of the
big Continental Illinois Bank and
Trust company of Chicago, ended his
fiftieth year in banking with this ac-
countable and comforting statement:
"Depression don't kill people.
We are recovering from this depression
faster than we appreciate. There is
nothing fundamentally the matter
with this country. In a few months
the volume of business will justify
the nation by its size."

One thing write down and remem-
ber for future reference. This is the
time to buy good stocks. If you have
money to buy and will not be fright-
ened away from them.

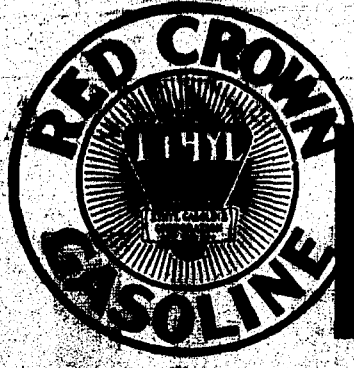

But no time is good for gambling.

Simple-minded red men sold
Manhattan Island for \$24, not sus-
pecting how that island and land ad-
joining across the East river would
develop. New York City, with more
than 7,000,000 population, has real
estate valued at \$10,700,000,000
which means that it is worth at least
\$300,000,000,000.

That is impressive, and interesting.
Impressive and worth remembering
is the fact that if the Indians had
put their \$24 bid at 5 per cent with
compound interest they would have
enough money now to buy Manhattan
Island several times over.

The difficulty is that you can't make
that sort of compound interest in-
vestment, whereas you can buy a
good piece of real estate, take care
of it, and later have it take care of
you.

(The story by John J. Buchanan, Jr., is in the
Avalanche of October 2, 1930.)

EVIDENCE!

THE EASY STARTING OF NEW RED CROWN ETHYL GASOLINE BRINGS OUR CUSTOM- ERS BACK AGAIN AND AGAIN"

FIRST-TO-FIELD

THE amazing acceptance of New Red Crown
Ethyl is quickly explained. It rides into mo-
torists' favor because it starts easier, rides
steadier, speedier, smoother than any other
fuel they've ever tried. It has soared into
leadership, and stays there because of the
zip, the pep and power it delivers to any
motor—new or old.

Every day—every month—this super-volatile
"KNOCKLESS" fuel gains more customers.

MEN WHO SELL
NEW RED CROWN
ETHYL

REGISTRATION NOTICES

REGISTRATION NOTICE

To the Qualified Electors of the
Township of Lovell,
Crawford County, Michigan.

Notice is hereby given that I, the
undersigned township clerk, will
upon any day, except Sunday, re-
ceive for registration the name of
any legal voter in said township not
already registered who may apply to
me personally for such registration.
Provided, however, that I can re-
ceive no names for registration dur-
ing the time intervening between
the second Saturday and the day of
election, November 4, 1930.

Notice is further given that I will
be at my home on
Wednesday, October 15,
Saturday, October 18,
Saturday, October 25,
1930, from 8 o'clock a. m. until 8
o'clock p. m., on each of said days
for the purpose of reviewing the
registration and registering such
of the qualified electors as may properly
apply therefor. October 25th is the
last day of registration by personal
application.

Louise McCormick, Clerk.

REGISTRATION NOTICE

To the Qualified Electors of the
Township of Frederic
Crawford County, Michigan.

Notice is hereby given that I, the
undersigned township clerk, will
upon any day, except Sunday, re-
ceive for registration the name of
any legal voter in said township not
already registered who may apply to
me personally for such registration.
Provided, however, that I can re-
ceive no names for registration dur-
ing the time intervening between
the second Saturday and the day of
election, November 4, 1930.

Notice is further given that I will
be at my home on
Wednesday, October 15,
Saturday, October 18,
Saturday, October 25,
1930, from 8 o'clock a. m. until 8
o'clock p. m., on each of said days
for the purpose of reviewing the
registration and registering such
of the qualified electors as may properly
apply therefor. October 25th is the
last day of registration by personal
application.

R. K. Gunther, Clerk.

REGISTRATION NOTICE

To the Qualified Electors of the
Township of Beaver Creek
Crawford County, Michigan.

Notice is hereby given that I, the
undersigned township clerk, will
upon any day, except Sunday, re-
ceive for registration the name of
any legal voter in said township not
already registered who may apply to
me personally for such registration.
Provided, however, that I can re-
ceive no names for registration dur-
ing the time intervening between
the second Saturday and the day of
election, November 4, 1930.

Notice is further given that I will
be at my home on
Wednesday, October 15,
Saturday, October 18,
Saturday, October 25,
1930, from 8 o'clock a. m. until 8
o'clock p. m., on each of said days
for the purpose of reviewing the
registration and registering such
of the qualified electors as may properly
apply therefor. October 25th is the
last day of registration by personal
application.

John LaMotte, Clerk.

REGISTRATION NOTICE

To the Qualified Electors of the
Township of Grayling
Crawford County, Michigan.

Notice is hereby given that I, the
undersigned township clerk, will
upon any day, except Sunday, re-
ceive for registration the name of
any legal voter in said township not
already registered who may apply to
me personally for such registration.
Provided, however, that I can re-
ceive no names for registration dur-
ing the time intervening between
the second Saturday and the day of
election, November 4, 1930.

Notice is further given that I will
be at my barber shop on
Wednesday, October 15,
Saturday, October 18,
Saturday, October 25,
1930, from 8 o'clock a. m. until 8
o'clock p. m., on each of said days
for the purpose of reviewing the
registration and registering such
of the qualified electors as may properly
apply therefor. October 25th is the
last day of registration by personal
application.

Carl Sorenson, Clerk.

ceive no names for registration dur-
ing the time intervening between
the second Saturday and the day of
election, November 4, 1930.

Notice is further given that I will
be at my home on
Wednesday, October 15,
Saturday, October 18,
Saturday, October 25,
1930, from 8 o'clock a. m. until 8
o'clock p. m., on each of said days
for the purpose of reviewing the
registration and registering such
of the qualified electors as may properly
apply therefor. October 25th is the
last day of registration by personal
application.

William Woodburn, Clerk.

UNIVERSITY MUSEUM EXPEDITION SPENDS ACTIVE SUMMER

Traditional pictures of museum
workers as bent old gray beards por-
ing endlessly over mummies in musty
rooms are quiet out of keeping with
the active life of the modern scientist-
teacher at the University of Michigan,
from which summer expeditions went
out to seek material in Texas, South
Africa, England, and Wales, Ohio and
Michigan. In addition to the search
for new specimens, Dr. E. C. Case,
Director of the Museum of Paleontol-
ogy visited museums in Vienna,
Berlin, Stockholm, and Upsala ar-
ranging in some cases for exchange
of material.

The expedition to Northern Mich-
igan in the St. Ignace, Rogers City
and Alpena regions brought back
three quarters of a ton of fossils in-
cluding many fine specimens of coral
from the great coral beds or reefs
which were laid down in this region
in Silurian and Devonian time, several
million years ago. Interesting deposits
of fossil fishes were also uncovered
in a quarry near Rockport, and
donated to the University by the Su-
perintendent of the Kelly Island Lime
and Transportation Company. This
trip was in charge of Professor John
M. Ehlers.

A party investigating the Triassic
time beds of Texas enjoyed better
than average success in the second
largest deposit of reptiles and am-
phibians discovered. Among other
animals was found a very perfect
skull of a Phytosaur 36 inches long.
This reptile resembled the crocodile
of today. Texas seems to have been
the American stamping ground for
the reptiles and amphibians which
ruled the world millions of years ago,
according to W. H. Buettner who
headed the party. An unusually rich
field was located which may be quar-
ried by future expeditions.

Theodore White, student, was as-
sistant to Buettner, and later joined

Norman Hartweg, another student, in
a second trip to collect specimens of
the living snakes and lizards of the
region.

Fossil plant material was obtained
in Ohio by Dr. Chester A. Arnold, who
later studied and collected similar
specimens in England and Wales.

South Africa furnished a number
of specimens from the Karro region
to a party in charge of H. F. Donner
who is also an observer in the Li-
mont-Hussey Observatory which the
University owns at Bloemfontein,
South Africa.

Seasonal sports for certain mem-
bers of the United States Senate and
candidates for election to that august
body: "I spy" and "making snoop-ee."
—Chicago News.

Statement of the Ownership, Man-
agement, Etc., Required by the Act
of August 23, 1912.

The Crawford Avalanche, published
weekly at Grayling, Mich., for
1930, is owned by O. P.
Schumann, Publisher, Owners: O. P.
Schumann, Grayling, Michigan.

Known bondholders, mortgagees,
and other security holders, holding 1
per cent or more of total amount of
bonds, mortgages, or other securities:
None.

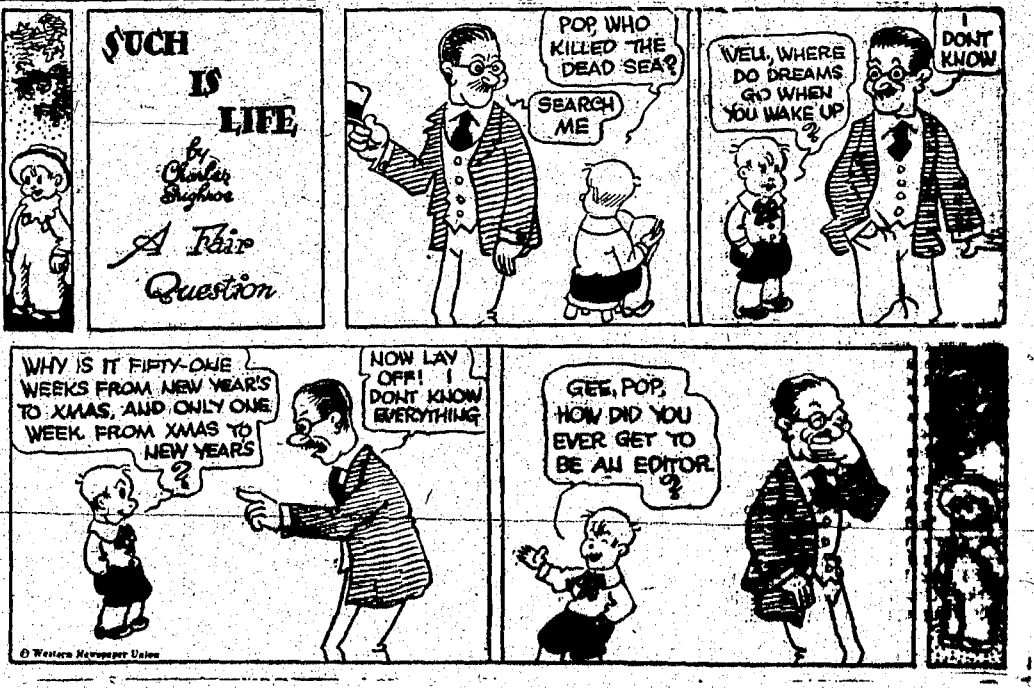

Sworn to and subscribed before me
this 1st day of October, 1930.

(Seal) Notary Public.
My commission expires January 15,
1931.

CHINESE FIRE UPON U. S. WAR SHIP

According to the Navy Recruiting
Station, Detroit, the commandant in
chief of the Asiatic Fleet, Admiral
Charles B. McVay, Jr., U. S. Navy,
has reported to the Navy Department
that the gunboat Luzon was fired
upon from the right bank of the
Yangtze River above Wusuh. The
Luzon returned the fire with 3-inch
guns and machine guns. There were
no casualties on board the Luzon.
The Luzon is flagship of the United
States patrol and was enroute from
Hankow to Chinkiang. She is com-
manded by Lt. Comdr. S. S. Thurston
U. S. N.

A new deal for today's dollar!

NASH Announces 3 new EIGHTS and a new SIX

NEVER was such motor car quality offered at prices so sensationally low. The literally startling difference becomes at once apparent when you contrast the prices of the new and finer Nash series, with prices of corresponding models a year ago.

Its low non-productive overhead, its elimination of borrowed capital, and remarkably foresighted manufacturing alone enable Nash to offer so much for so little.

The unique example in value-giving thus provided

the industry was planned last November. At that time, C. W. Nash and the strong group of executives surrounding him, clearly foresaw present conditions. They at once began to design cars affording value so great, so unmistakable, as to overcome all buying reluctance.

The result is instantly apparent. Even casual inspection of the four new Nash cars establishes the fact that nothing even remotely approaching them in downright dollar value

has ever been available in their respective price fields.

SENSATIONALLY PRICED!

STUDY THESE SENSATIONAL PRICES!			
Compare what is probably the most remarkable achievement of Nash in greater value-giving—the New Six—with the Single Six it succeeds. The new Six offers a multitude of superiorities—at prices which range from \$160 to \$140 below the prices of the Single Six.			
Body Style	The New Six W. B. 1148"	Last Year's Six W. B. 1148"	Price Difference
Sedan (4-door)	\$845	\$1005	—\$160
Coupe	\$795	\$940	—\$145
Coupe (rumble seat)	\$825	\$980	—\$155
Sedan (2-door)	\$795	\$935	—\$140
Compare the New Eight-70 with its two additional cylinders, its longer wheelbase, its larger, more luxurious body, with the six-cylinder car it replaces. Then consider the remarkable fact that there is actually a basic price differential in favor of the New Eight!			
Body Style	The New Eight-70 W. B. 1148"	Last Year's Six W. B. 1148"	Price Difference
Sedan (4-door)	\$995	\$1005	—\$10
Coupe	\$945	\$940	—\$5
Coupe (rumble seat)	\$975	\$980	—\$5
Special Sedan (4-door)	\$955		

Compare the New Twin-Ignition Eight-90 Series with the 6-cylinder car it replaces. The Eight-90 is larger, longer. Design, appointments, upholstery are finer—prices are radically lower.

Body Style	The New Twin-Ignition Eight-90 W. B. 124"	Last Year's Twin-Ignition Six W. B. 114"	Price Difference
Sedan (4-door)	\$1295	\$1415	—\$120
Coupe	\$1245	\$1345	—\$100
Coupe (rumble seat)	\$1285	\$1395	—\$110
Town Sedan (4-door)	\$1375		

Compare the New Twin-Ignition Eight-90 Series, now with a 115 H. P. Engine, with the last year's 100 H. P. Eight. Body appointments are finer, upholstery more luxurious, and prices are far lower!

Body Style	The New Twin-Ignition Eight-90 W. B. 124"	Last Year's Twin-Ignition Six W. B. 114"	Price Difference
Sedan (4-door)	\$1565	\$1795	—\$230
Cabriolet	\$1695	\$1875	—\$180
Coupe	\$1695	\$1875	—\$180
Coupe (rumble seat)	\$1745	\$1975	—\$230
Sedan (7-pass.)	\$1925	\$2195	—\$270
Limousine (7-pass.)	\$2025	\$2305	—\$280
Ambassador	\$1825	\$2095	—\$270
Victoria	\$1765	\$2045	—\$280

(All prices f. o. b. factory)

T. E. DOUGLAS, Grayling, Mich.

OLD DESTROYERS TO BE USED FOR TARGETS

According to the Navy Recruiting Station Detroit the de-commissioned destroyers Marcus and Sloat will be used this fall for bombing tests by airplanes. The Stoddard will also be used as a target, but will be equipped with radio control, so that the battleships and airplanes may have a moving target in firing upon her. Use of the two destroyers as stationary targets will result in a considerable saving, as the ordinary wooden targets cost around \$18,000 while these vessels would bring \$5,000 if sold for junk.

Some fellows are always trying to do something that can't be done—and failing.

Tells Men Over 50 What They Should Weigh

A famous British Physician—a Specialist in Obesity—gives these as the normal weights for men over 50.

5 Ft. 5 Inches	150 Pounds
5 Ft. 6 "	155 "
5 Ft. 7 "	160 "
5 Ft. 8 "	165 "
5 Ft. 9 "	170 "
5 Ft. 10 "	175 "
5 Ft. 11 "	180 "
5 Ft. 12 "	185 "
6 Ft. 1 "	190 "
6 Ft. 2 "	195 "

Weights include ordinary indoor clothing—Get on the scales and see if you are overweight and how much. The modern way to take off fat is known as the Kruschen Method—and is worth a four weeks trial. Get capsules, cakes, pastry and ice cream for 4 weeks, go light on potatoes, butter, cheese, cream and sugar—and moderately of lean meat, chicken, fish, salads, green vegetables and fruit—take one half teaspoon of Kruschen salts in a glass of hot water every morning before breakfast—don't miss a morning.

As I keep bottles of Kruschen lasts 4 weeks—Get it at Mac & Gidley's or any drug store in the world.

APPROVED TOURIST HOMES GIVEN DISTINCTIVE SIGNS

The accommodation of tourists has developed everywhere into an industry especially popular with farm families on important highways, and agricultural extension agents have long urged the rural people in their counties to maintain high standards of sanitation and food if they wish to attract the tourist trade, says the United States Department of Agriculture. But the West Virginia extension service has gone even a step further, by offering to supervise "Tourist Homes" of high quality and give the owner permission to use a distinctive sign that shows what may be expected by the visitors.

Clean, comfortable, well-ventilated rooms, good beds and springs, soft mattresses, clean sheets, and light, fluffy blankets are required to meet the standard set of the supervised home as well as good food, such as fried chicken, home-cured ham, pure milk and cream, fresh eggs, home-grown fruits and vegetables, and other products fresh from the farm. Reasonable rates, uniform among all supervised homes, cordial hospitality, and consideration on the part of the hosts are also insisted upon. Truly these are all items which the tourist has been led to believe he would find in country places, but which, alas, have frequently not materialized.

In most of the eight homes in different parts of West Virginia already permitted to display the special extension service sign one will find for sale the famous wild-blackberry jam made from local native fruit, and other garden, dairy, and poultry products that help increase the farm household's cash income. Thus, one industry helps another, and the extension service helps both.

Speed and worry, explains the specialist, are the causes of nervous breakdowns. Sure. Worrying about trying to keep ahead of the car right behind you and the next payment right in front of you.—Boston Herald.

FOREST FIRE EXPERIMENTS NEAR COMPLETION

The first year of work at Michigan's forest fire experimental station is nearing completion with valuable weather, duff, chemical and other data compiled the ground divided into small plots and separated by fire lines; and complete maps and information of the 1,700 acre experimental area near Roscommon completed.

No experimental fires were started this year, as had been planned. The serious fire menace through the state necessitated the use of all available fire fighting equipment, and it was desired to make more thorough preliminary experiments before the final stage was reached.

The experiments are being made by the Forest Fire Division of the Department of Conservation and the United States Forest Service. During the past season the most accurate weather data, including temperatures, humidity, wind velocity, etc., was kept and will be correlated with the fires that occurred. Extensive studies were made of "duff" to determine the absorption qualities of the various kinds of humus.

One of the important experiments carried on during the past season had to do with the efficiency of the various pieces of fire fighting equipment and machinery used by fighters in the field. Hand and motor pumps, etc., were gauged and their capacities, and the cost of operation, were recorded.

The station will also seek to find some chemical or other means of maintaining fire lines at a lower cost than that incurred in the frequent harrowing that is now necessary.

A voyager home from Paris claims to have found a waiter there who not only adds in the date and the phone number of the cafe, but also the serial number on the check.—Detroit News.

Now that the swimming season is over the girls can use their bathing suits for bookmarks.—Ohio State Journal.

Sore Throats and Coughs

Quickly Relieved by this Safe Prescription

Here's a doctor's prescription called Thoxine that is really throat insurance. Its success is due to its quick double action. With the very first swallow it soothes the sore throat and the coughing. It goes direct to the internal cause.

The remarkable thing about Thoxine is that while it relieves almost constantly it contains nothing harmful and is pleasant tasting and safe for the whole family. Singers and speakers find Thoxine very valuable. Put up ready for use in 35c, 60c, and \$1.00 bottles. Your money back if not satisfied. Sold by Mac and Gidley's Drug Store and all other good drug stores.

STATE OF MICHIGAN

The Probate Court for the County of Crawford.

In the matter of the estate of Tor-kid Benson, late of the Village of Grayling, in said County, deceased.

Notice is hereby given that 4 months from the 15th day of September A. D. 1930, have been allowed for creditors to present their claims against said deceased to said court for examination and adjustment, and that all creditors of said deceased are required to present their claims to said court, at the probate office, in the Village of Grayling, in said county, on or before the 15th day of January A. D. 1931, and that said claims will be heard by said court on Monday, the 15th day of January A. D. 1931, at ten o'clock in the forenoon.

Dated this 15th day of September A. D. 1930.

GEORGE SORENSON,
Judge of Probate.

A true copy.
George Sorenson,
Judge of Probate.

Too Many "Paper Shells"

The term "paper shell" has been extended in its application to persons un-til it is now practically without significance. Originally applied to those types of persons having such thin shells that one could be easily cracked when two were crushed together in one hand, the term during recent years has been made to include all cultivated varieties, many of which have fully as hard shells as the average wild nuts.

STATE OF MICHIGAN

The Probate Court for the County of Crawford.

At a session of said Court, held at the Probate Office in the Village of Grayling, in said County, on the 26th day of September, A. D. 1930.

Present: Hon. George Sorenson, Judge of Probate.

In the matter of the estate of John Benson, late of the Village of Grayling, in said County, deceased.

Melvin A. Bates, Administrator of said estate, having filed his said court his petition, praying for license to sell the interest of said estate in certain real estate therein described, for the purpose of paying claims which creditors have filed against the said estate.

It is ordered, that the 27th day of October A. D. 1930, at ten o'clock in the forenoon, at said probate office, be and is hereby appointed for hearing said petition, and that the Administrator and all persons interested in said estate appear before said court, at said time and place, to show cause why a license to sell the interest of said estate in said real estate should not be granted.

It is further ordered, that public notice thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing, in the Crawford-Avalanche, a newspaper printed and circulated in said county.

GEORGE SORENSON,
Judge of Probate.

A true copy.

Judge of Probate.

RABBIT-PARTRIDGE SEASON OPENS OCTOBER 15

The 1930 season on upland game begins in the Lower Peninsula October 15, when hunting is permitted for rabbits, prairie chicken, and partridge. On the same date the woodcock season opens for the entire state.

The upland game season opened in the upper peninsula October 1 when rabbits were permitted to be killed. There is no open season in the upper peninsula this year for partridge, prairie chicken, or pheasants.

The pheasant season begins October 15.

TO THE OWNER OR OWNERS OF ANY AND ALL INTERESTS IN OR LIENS UPON THE LANDS HEREIN DESCRIBED:

Take notice that sale has been lawfully made of the following described land for unpaid taxes thereon, and that the undersigned has title thereto under tax deed or deeds issued therefor, and that you are entitled to a reconveyance thereof at any time within six months after return of service of this notice upon payment to the undersigned or to the Register in Chancery of the County in which the lands lie, of all sums paid upon such purchase, together with one hundred per centum additional thereto, and the fees of the Sheriff for the service or cost of publication of this notice, to be computed as upon personal service of a declaration as commencement of suit, and the further sum of five dollars for each description, without other additional cost or charges. If payment as aforesaid is not made, the undersigned will institute proceedings for possession of the land.

Local Happenings

THURSDAY, OCTOBER 9, 1930

Just arrived, new fall footwear, at
Olson's.

Mr. and Mrs. Clifford G. Chappel
are happy over the arrival of a daugh-
ter, born Sept. 30th. Her name is
Phyllis Ann.

Gerald Poor, accompanied by Brad
Jarnah, spent Saturday and Sunday
with his parents, Supt. and Mrs. Chas.
Poor, at Traverse City.

Mr. and Mrs. A. M. Peterson and
daughter and Mrs. Herbert Parker re-
turned Tuesday after a few days in
Ann Arbor, where the latter was con-
sulting a specialist.

Roscommon is to have a skating
pond this winter. For the past week
the pond at the Robinson bridge on
Main street, has been in the process
of preparation for the winter sport.

Mr. and Mrs. Glen Riley of Petoskey
called on classmates and friends here
one day last week. Mr. Riley was a
member of the class of 1903 and Mrs.
Riley (Ethel Hoyt) of 1904 of our
high school.

Beginning next Sunday, mass at
St. Mary's church will begin a half
hour later, at 8:30 o'clock instead of
8:00 o'clock. Also next Sunday there
will be adoration of the blessed sac-
rament all day, closing in the even-
ing. This will take place of the regu-
lar forty hour devotions.

Mr. and Mrs. Arthur Clough re-
ceived word this morning of the mar-
riage of the former's sister, Miss Ina
to Mr. Kenneth Cook, formerly of
Wolverine but now of Lansing. The
marriage was consummated last Sun-
day.

Red Star Mall, 49c, at Ketchick's
Billiard parlors.

Fifty Grangers and their friends
gathered at Mr. and Mrs. Charles
Owens' in Maple Forest September
28th where they all enjoyed a jolly
afternoon. Delicious chicken pie was
one of the good things they had to
eat.

Mrs. Spencer Holst and son Spencer
of Detroit arrived last Friday to
visit for several days with her par-
ents, Mr. and Mrs. Charles O. Mc-
Cullough. As Mr. Holst was on the
job for his paper The Detroit Times,
reporting the results of the World
Base Ball series, Mrs. Holst came
here to spend the time visiting her
parents.

There will be a Republican rally
and banquet at Hotel Wenonah, Bay
City, Friday evening, Oct. 10th, at
which time there will be addresses
by a number of leading Republicans
of the state. The banquet will be at
6:30 o'clock and all local Republicans
are invited to be in attendance.
There should be a good representation
present from Crawford county.

Dr. Carey of Detroit, representing
the Couzens' Health fund, was in
Gaylord last week Monday to sound
out the proposition of establishing a
district unit in that region with Gay-
lord as headquarters. This is similar
to that now established and operat-
ing here with Dr. R. B. Howard as
director. Other units are being plan-
ned to take in Cheboygan and neigh-
boring counties.

Mrs. Marius Hanson received the
sad word Wednesday by cablegram
of the sudden death of her brother,
Frank Parsons, that occurred last
Sunday. Mr. Parsons, who resided in
Grayling in his youth has been em-
ployed by the Government for many
years at Panama. He was 62 years
old and is survived by his widow, one
son, Russell, and two daughters,
Beatrice and Francis.

Come in and see our new fall foot-
wear, at new, lower prices, at Olson's.

A recount of votes in Roscommon
county between Miles H. Mead and
Raymond Knapp for the office of
county clerk resulted in a victory
for Knapp. In the primary election
Knapp defeated Miles by nine votes.
Because of rumored irregularities in
the townships of Denton, Lake and
Roscommon, Mr. Mead petitioned for
a recount, which, instead of cutting
down Mr. Knapp's majority he gained
five votes, increasing his majority to
14. It is rumored that Mead will run
in the general election on slips.

Mr. and Mrs. Hugo Schrieber, Jr.,
of South Branch township were host
and hostess to about sixty men and
women of Crawford county Grange
last Sunday afternoon. It was a fine
day and the men enjoyed the out-
door games in which pitching quoits
predominated and some hot battles
were pulled off. The ladies busied
themselves in the kitchen until meal
time. One of the guests said that
there were "Eats to the east of us,
eats to the west of us and eats all
around us and the men folk charged
right into the midst of it. You
should have seen the food disappear."
All had such a good time that they
hoped to be together there again
next year.

Louis M. Edwards of Bangor ar-
rived in town Thursday evening to
spend the week end with Grayling
friends. He was driving a new Ply-
mouth coupe and said that he drove
from Bangor, near Kalamazoo, as
far as Clare on paved highways and
another 20 miles of pavement be-
tween Prudenville and Grayling. Mr.
Edwards was foreman in the A-
valanche office for several years, leav-
ing here during the World War when
the call for printers in Detroit ex-
ceeded the supply, and where wages
were beyond the possibility of week-
ly newspaper offices. However Lou
made a lot of friends in Grayling dur-
ing his stay here whom he enjoys to
visit whenever possible.

Get an up-to-date haircut at an up-
to-date barber shop. The Rialto, Adv.

Mr. and Mrs. Geo. Burke are in
Detroit on business.

Frank Tetu drove to Flint Tuesday
morning "on business."

Cecil Warner of the Asphalt plant
visited his home in Jackson Sunday.

Mrs. Frank Malloy is in Chicago
visiting her mother who is in ill
health.

Disrespect for property rights
means just so much less hunting
ground.

Dr. and Mrs. R. B. Howard and
Mrs. A. J. Joseph drove to Cadillac
on Friday.

Ernest Hoesl is spending the week
at Rudyard, the guest of Miss Bea-
trice Cottle.

Mr. and Mrs. Frank Tetu entertain-
ed Mrs. Rob't. Wendland of Bay City
over Sunday.

Mrs. Earl Hewitt and little daugh-
ter Betty Jane were dismissed from
Mercy Hospital Saturday.

Misses Genevieve and Marguerite
Montour of Ann Arbor spent Sunday
at the home of their parents, Mr. and
Mrs. David Montour.

See the new low prices on our new
fall slippers, at Olson's.

Mr. and Mr. Oscar Hanson enter-
tained over the week end, Mr. and
Mrs. Julius Porath, and Mr. and Mrs.
Beebe of Detroit.

Mr. and Mrs. M. A. Bates left Sun-
day for East Lansing where they are
visiting their son Lieut. Russell E.
Bates and family.

Mr. and Mrs. Emil Neiderer, Miss
Helen Pond, Mrs. Adolph Peterson
and two daughters, drove to Mack-
inaw City Sunday.

M. A. Bates and LaVere Cushman
were in Alpena Saturday. Mr. Cus-
hman refereed a football game between
Alpena and St. Ignace.

Mr. and Mrs. T. P. Peterson spent
the week end in Lansing visiting Mr.
and Mrs. Sigwald Hanson and Mr.
and Mrs. J. K. Burnham.

Miss Beatrice Hoesl and Harold
Buck of Michelson spent Sunday at
the home of the former's parents,
Mr. and Mrs. Dan Hoesl.

Mr. and Mrs. Carl Nelson and chil-
dren and Mr. and Mrs. Herbert Gothro
were guests of Mr. and Mrs. Clarence
Brown in Bay City Sunday.

Mrs. C. G. Clippert and Mrs. C. R.
Keyport drove to Saginaw Wednesday
to attend a bridge luncheon. Mrs.
Clippert will sing at the affair.

Holger Hansen, accompanied by his
mother, Mrs. J. K. Hanson and Mrs.
Louis Jensen, leaves today for Ypsil-
anti and Detroit on a vacation trip.

Children get free balloons with hair
cut at the Rialto Barber Shop.—Adv.

We carry 70 different sizes in
ENNA JETTICK shoes for women
and guarantee a perfect fit, at Olson's.

Will Pochelon left Wednesday for
his home in Detroit after visiting for
several days with Mr. and Mrs. Oscar
Hanson. He drove back with Mrs.
Olaf Michelson.

Dr. and Mrs. C. R. Keyport drove
to Lansing on Thursday. On Satur-
day they witnessed the State-U. of M.
football game at Ann Arbor, return-
ing home Sunday.

Ernie Olson drove to Detroit Sat-
urday night to spend Sunday with
his wife who is a student in a beauty
culture school at that place. He re-
turned home Sunday night.

Clarence Jordan, who is employed
in Grayling spent a few days at his
home in Melvor this week. Earl and
Pat Jordan drove over from Melvor
Sunday to accompany him home.

Several ladies in Grayling have re-
ceived invitations to a bridge lunch-
eon to be given by Mrs. C. C. Wes-
cott and Miss Helen Wescott Satur-
day at the Washtenaw Club, Ypsil-
anti.

Mr. and Mrs. Floyd McClain (Car-
rie LaGrow) are the proud parents
of a baby girl, Sally Lou, born Mon-
day morning. What a pet she will
be with three older brothers to wait
on her.

Bishop Joseph Plinten of Grand
Rapids was a guest at St. Mary's
rectory last Sunday, arriving during
the afternoon. He, accompanied by
Fr. Culligan, drove to West Branch
Monday morning.

St. Mary's Altar society is in-
vited to spend a social afternoon and
hold their business meeting at the
home of Mrs. David Kneff on the
Ausable next Saturday. Mrs. Anthony
Trudeau will assist Mrs. Kneff in
entertaining.

Mrs. Olaf Michelson left Wednes-
day for her home in Detroit after
spending the summer and autumn at
her summer home at Lake Margrethe.
Mrs. Michelson enjoys the autumns
with their vari-colored trees and
verges, the best of the several seasons
of the year in the North.

The Ladies Aid society of Michel-
son Memorial church are planning a
harvest supper for November 19th.
At the same time there will be a
booth of Christmas gifts. Mrs. Fred
Welsh will have charge of the sup-
per and Mrs. C. G. Clippert will be
chairman of the gift booth.

Max Landsberg of Inkster, former-
ly of Grayling, was quite seriously
injured Monday last week, when
he was struck by an automobile
while crossing the street. He was
taken to Grace Hospital in Detroit,
where it was found that one leg was
broken in five places and he had re-
ceived some bad cuts and bruises on
his head and face. Word received
yesterday reports that he is getting
along nicely, which will be good news
to his many Grayling friends, who
wish for him a speedy recovery.

TO GIVE PRIVATE DANCING

LESSONS

Miss Virginia Jacques, Physical
Training Director in the Grayling
High School, will organize her priv-
ate dancing classes this week. She
will conduct the classes in the school
gymnasium on Saturdays from 9
o'clock until 11:30 in the morning and

from 1 until 2:30 o'clock in the after-
noon.

Miss Jacques will accept children
from the ages of three and up, girls
and boys included. Parents who are
interested in having their children
participate in this delightful recre-
ation are asked to bring their boy or
girl to the gym on Saturday morn-
ing, October 11th, between 9:30 and
11 o'clock to register.

The schedule and classification of
the several dance types have been ar-
ranged in the following groups:

Group One

Acrobatic dancing which will be
taught in a class by itself.

Group Two

Aesthetic, Interpretive, Natural and
Folk dancing will be taught in the
one class.

Group Three

Athletic dancing and Clogging
will be taught in the one class.

Group Four

Social dancing which will be taught
in a class by itself.

The Log Office Says

Interesting bits of news and comment about Northeastern Michigan gathered by the E. M. T. A.

(By Katherine Banta)

Gansser Says It's An Investment

"An investment" is the way A. H. Gansser president pro-tem of the Michigan State Senate, terms any amount subscribed by any Michigan citizen or town to the work of the E.M.T.A. He told a prominent citizen recently that this association is doing a "splendid work" to attract tourists through Detroit, the gateway to Eastern Michigan, through Bay City to the "real playground of Michigan, around Saginaw, Bay and Lake Huron, Mackinaw and Lake Superior regions." He tells too, how on a motor trip to Detroit the latest part of August, his family counted the motor cars of 21 states between Bay City and Detroit; and in the downtown areas of Detroit, the motor cars of 14 states, all in the space of about seven hours.

Auto Club To Move From Log Office
The Valley Automobile Club, which has had office space in the Log Office for several years, is to move this month. It has recently become a part of the Detroit Automobile Club and will have its own offices on Washington St. While we are not equipped or organized to give road information such as the automobile club has given from our office, we shall of course continue to give whatever information we possess that can in any way be of benefit to tourists or to our members. And, as in the past, our services are free, both to members and non-members. There can now, obviously, be no confusion as to the source of advice given in the Log Office for now it will be occupied entirely by departments of the E.M.T.A.

Hunters Making Early Reservations
It would seem that East Michigan is becoming an all-year resort, more each season. Frank G. Martin of The Heights, on Houghton Lake, whose furnished cottages are known to both fishermen and hunters, reports to us that he has for some weeks past been taking reservations for the deer-hunting season. And the deer are plentiful in Roscommon County, too, this year, Mr. Martin says.

that he has for some weeks past been taking reservations for the deer-hunting season. And the deer are plentiful in Roscommon County, too, this year, Mr. Martin says.

Advertising Did It In A Slow Season

Johnson's Rustic Tavern at Houghton Lake Forest is one of the East Michigan resorts which knew no slow season during the past summer. The Roscommon Herald-News quotes Mr. Johnson as saying that he attributes its immense business this summer to the power of advertising which rode successfully over the nationwide slump. Moreover, though the dance hall at the Tavern is closed, and the dining room has closed, the cottages will remain open for as long as the tourist trade demands. In fact, any time during the fall or winter months, this rustic resort will be available for fishing or hunting or hiking parties. We like to hear of such encouragement to the enjoyment of Michigan's gorgeous fall among its woods and lakes.

Rochester Lends A Hand To Mother Nature

East Michigan's natural beauties in its wild places should not according to the thinking of some towns, be its only claims to beauty. And Rochester is one of the towns. An editorial in the Rochester Clarion says, in part: "Beautiful cities, towns and villages all attract people. They attract permanent residents, they attract tourists and trade. It is natural to select a home or trading center in a town that is beautiful and clean in preference to one that is dirty and unsightly, if other conditions are anywhere equal. It behooves the authorities of any community, as well as each individual citizen, to make the most of their opportunities for improving the appearance of the place in which they live."

Crawford Avalanche

SCHOOL NOTES

(Continued from Page 1)
themselves to step to the platform and receive their gold edged diplomas.

To sum it all up, we have 124 girls to 96 boys in the assembly room, making a total of 219 which almost reaches last year's mark of approximately 225.

Doings of the Northernlights
It seems that we are going to have a football team after all. A rather ragged piece of typewriting paper was hurriedly passed among our athletic inspired young men and signed by those who would go out for practice this year to make a team next year. This is a good idea if it is only worked out. Get the old spirit in these boys!

The Junior class held a meeting Monday to raise money for some flowers to express the sympathy of the class for Alice Mahucke's misfortune.
Ding! Ding! Ding! Ding! Four bells. Back to the Assembly! Hurrah! Mr. Gospi! The boys are overjoyed and the girls are interested in a speech that gives many things that will help us in life.

Basketball Prospects
In the past years Grayling High School has turned out some very good basketball teams. But this year Coach Cushman has a very difficult problem, that of building a basketball team from men of very little varsity experience.

For of the twelve men who formed the first team of last year, a team that was good enough to advance to the finals in the regional tournament at Petoskey, of these twelve A squad men, five graduated with the class of '30, leaving seven letters in school for the year '30 and '31. But when school opened it was found that three of the boys were not planning on returning to the school though one of them, Danbury, returned to Roscommon High.

When asked a short time ago what kind of a basketball team G.H.S. would have this year, Mr. Cushman replied, "That since the failure of LaGrow and R. Harrison to return to school it kind of darkens hopes for a winning team, but a lot depended on the B team of last year. If two of them can take the place of R. Harrison and LaGrow, Grayling will have another winner. If not G.H.S. will at least have a fighting team." And from what is known of Mr. Cushman as a coach you can bet that the team he puts on the floor to represent Grayling High School won't be a "push-over" and don't be surprised if it is another "winner."

Jokes

Jane K.—You've broken the promise you gave me.
DeVere D.—Don't cry, I'll give you another.

Judge—Have you anything to offer the court before sentence is passed upon you?
Prisoner—No, yer honor; me lawyer took me last dollar.

Nels (looking into sickroom)—Please, Ma, can I have the measles when Willie's done with them?

Third Grade

Jaquet Miller has injured her foot and will be absent from school about two weeks. We are going to write her a letter.

We are trying to make a good record in spelling so Miss Granger will read to us from the Raggedy Ann books.

Arnold Babbitt, Jack Sparkes.

Fourth Grade

(Written by Fourth Grade pupil)
We have had no tardy marks this past week. We hope to have a 100% month.

We are using our library every day. We have most of our books catalogued so that we may take them home.

We are going to make covers for our "Weekly Readers" in Art class this week. By February we hope to have a reader we have helped to make.

Our Book Brownie tells us that in order to be good citizens we must come to school on time and come to school every day unless we are sick. Try to do our best every day. Try to find out all the interesting things hidden in our books. Make our school a happy place to live in. Help to keep our school clean.

The Tasks of Teaching

It's a job to handle Mary
In her frivolous girlish mood,
As she travels girlhood's pathway,
Sometimes thoughtful, sometimes rude;

Or to tackle freckled Johnnie
And his foolish notions ban,
But the Nation bids me take him
And to make of him a man.

It's a job to grade the papers
Stacked before me row by row,
As I sit before the fireside
While the embers softly glow;

It's a job to check attendance,
Make reports, and so and so,
But a bigger job is knowing
What the pupils think I know.

It's a job to measure knowledge
In a fair, impartial way;
It's a job to teach the youngsters
As I meet them day by day.

But if asked to name the biggest
Of the tasks, I think I'd give
That of living, really living
As the pupils think I live.

—Clarence O. Moad,
in the "Texas Outlook."

Success

In order that a teacher may be sure of success she must know exactly what she is doing every minute. She must not believe that discipline is a gift of the gods that come naturally to some, while others can do nothing about it. Always the busy child is the orderly child. Also the children's respect is gained far more by knowing where all school stenals are, and by having the program move steadily from the first hour of school than by any amount of lecturing or dispensing of rules and regulations.

This of course means hard work but success comes only by work. A struggle to gain an education, a constant application to your work.

SHELL PROGRAM TO BE BROADCAST ON SATURDAYS, BEGINNING OCTOBER 11

Time of Program Also Changed to 8:30 P. M. Eastern Standard Time

In the opinion of thousands of radio listeners over the country as voiced in their letters to the Shell organization, the only way to start Saturday evening off right, is to tune in on a very snappy program of song hits and dance music such as they have been accustomed to hearing on Monday evenings. So in response to the many requests and in keeping with the Shell policy of furnishing the ultra in entertainment for radio listeners everywhere, the Sign of the Shell program will be broadcast on a new time and a new night beginning Saturday, October 11. The new time will be 8:30 to 9:00 P. M. Eastern Standard Time, over the NBC Red Network. There will be no Shell program on Monday, October 6.

Featured
Raymond Lamont Perkins, Bostonian, alumnus of Columbia University, protege of the Schuberts, lieutenant in the late World War, one time associate of George M. Cohan during which he became famous as a writer of popular songs, will be featured on the Shell program of Saturday, October 11, and will be heard in a series of typical Perkinsque, song numbers interspersed with inimitable piano monolog numbers and rapid-fire wise-crackery for which this Tin Pan Alley star is famed.

Among the song hits which have boosted Perkins to a commanding position on Broadway and elsewhere are: "Toby," an early effort for which he won the significant sum of \$7,377, "By-Lo" which brought in considerably more in royalties; "Scandinavia" and "Stand Up and Sing for Your Father." He achieved his best bet for fame, however, when he produced the comparatively recent song hits "Under a Texas Moon" and "Lady Luck."

Ray made his first radio appearance in 1926 over WJZ as Judge, Jr., and became widely known to thousands of radio fans everywhere. Since his first appearance on the Shell program, a few months ago, Perkins has become a favorite and continues to grow in popularity with radio listeners all over the country.

Perkins lives at Scarsdale, New York, where he has a wife and small son with whom he spends all his spare moments.

On the Shell program of Saturday, October 11th, Wendell Hall, radio's pioneer artist and Master of Ceremonies, will be featured in a ukelele specialty. The Red-Headed Music Maker as of old will thump his \$50,000 ukelele and presenting a modern version of his pioneer radio specialty, recalling memories of radio's early days when he, as radio's original traveling troubador, strummed his way into the hearts of his radio audience.

A high spot in this varied program will be the playing of tuneful song numbers and fast stepping dance music by the famous "Kassels in the Air" dance band under the personal direction of Art Kassel, wizard of the baton.

MICHIGAN'S RECORD STATE ROAD SHOW, OCTOBER 28-29-30

What promises to be the largest and most helpful exposition of road building equipment and material ever assembled in Michigan will take place at Michigan State College, October 28-29-30, under the auspices of the Michigan Association of Road Commissioners and Engineers and in cooperation with the officials of Michigan State College.

This annual Road Show is a non-profit enterprise sponsored by the association for educational purposes to road commissioners, engineers, contractor and township, city, county and state officials.

Each year new inventions in equipment are introduced for the purpose of more economical and more efficient construction and maintenance, and it is the object of this association to give an exposition each year in order that state, county and city officials, contractors and road building officials may have the opportunity to study improved equipment, essential to the development of Michigan's state and county highway system.

H. J. McKinley, secretary of the Kent County Road Commission who has been manager of the state road shows for several years, announces that this year's show will be the biggest and most educational of all previous expositions.

The main show will be held in the auditorium of the big demonstration building on the college grounds where the larger equipment will be displayed. In the big ball room there will be displayed smaller equipment. Provision has also been made for larger units to be exhibited on the grounds surrounding the building. The demand for display spaces is heavier than the supply.

A special activity has been inaugurated to interest township officials, as greater improvement of township roads is becoming rapidly necessary owing to the growing volume of tourist traffic, and for this reason township officials will find the Road Show of special educational value.

Governor Green, State Highway Commissioner Dillman, Attorney General Brucker, member of the Road Committee of the State Administrative Board, Secretary of State John S. Haggerty, also a member of that board will attend the show on Wednesday, October 29, together with other members of the State Administrative Board.

The largest manufacturers of road building equipment and materials in the country will have displays at this

KONJOLA ENDED 17 YEAR SIEGE OF RHEUMATISM

Lady Thought She Was Hopeless Invalid Before Master Medicine Gave New Health

CANT STAND FAILURE—CANT STAND SUCCESS

Men limit their progress in two ways.

First, there is the man who can't stand disappointment without acknowledging his inferiority, perhaps unconsciously. When things go wrong he cracks, and looks for a way out. Second, there is the man who, if fortune smiles upon him, gets a swelled head and floats around in space like a balloon.

One can't stand failure; the other can't stand success.

Both of these limiting qualities will usually be found in the same individual, because the man who inflates easily generally deflates with equal promptness.

The first-class man knows himself. This knowledge gives him the courage to hold his head up, even under adversity; and when success opens before him he keeps his head, challenged by the conviction that he has not yet done his best work.

The men who dominate us, and by whom we like to be dominated, possess this reserve of power. Whatever burden may be on their shoulders they seem to carry it easily. Our pleasure in working with them is comparable to the satisfaction we get from driving a motor that will take us over anything and through anything, easily and pleasantly.

KONJOLA ENDED 17 YEAR SIEGE OF RHEUMATISM

Lady Thought She Was Hopeless Invalid Before Master Medicine Gave New Health

MRS. ALMINA ATTENBERGER

"I suffered from rheumatism for 17 years," said Mrs. Almina Attenberger, Route No. 4, Birmingham, Michigan. "The pains in my limbs were terrible. My right limb was almost paralyzed and it became impossible for me to walk. My liver, also, was in bad condition. In fact, it had bothered me since I was young. I had frequent dizzy spells and was unable to stoop, which hindered me greatly in my housework. Konjola gave me the first relief I have experienced in years. In a few weeks' time my rheumatism was entirely banished. I have no more

dizzy spells or specks before my eyes, because my kidneys are now in a fine condition. Konjola gave me this wonderful health."

Many express amazement at the speed with which Konjola works. It does, but a course of from six to eight bottles is strongly recommended. Konjola is both a medicine and a tonic, rich in up-building powers. Konjola is sold in Grayling, Michigan at the Mac & Gidley drug store and by all the best druggists in all towns throughout this entire section.
